Blood Glucose Test Strip GLS-77

Use only with Blood Glucose Meter for
self-testing glucose in capillary whole blood

Important:

- Recap immediately after removing test strip
- Do not freeze or expose to the sunlight.
- Do not use the expired test strips.

+5°C
(41°F)

Checking the code

Before you perform your first blood glucose test or every time you open a new box of test strips, you need to verify that the meter "matches" the strips.
